What's New?

- **Interest Rate:** The Utah interest rate for the 2005 calendar year is 4 percent.

Important Information Regarding Extension of Time to File

You are automatically allowed an extension of up to six months to file your return. However, if the prepayment requirements have not been met on or before the original due date, penalties will be assessed.

General Instructions and Information

Corporation Identification Numbers

The Utah State Tax Commission uses the Federal Employer Identification Number (EIN) as the corporation's taxpayer identification with the state. The Utah Department of Commerce also issues a registration number upon incorporation or qualification in Utah. Enter both the EIN and Utah Incorporation/Qualification Number in the fields provided. These numbers are used for proper identification of the corporate tax return and any correspondence.

Corporation Changes

Corporation changes (e.g., name change, physical and/or mailing address changes, merger, or ceasing to do business in Utah) must be reported to both:

Division of Corporations
Department of Commerce
160 E 300 S
Salt Lake City, UT 84145

and

Master File Maintenance
Utah State Tax Commission
210 N 1950 W
Salt Lake City, UT 84134-3310

Dissolution or Withdrawal

Corporations that cease to do business in Utah must either dissolve or withdraw the corporation.

Corporations incorporated in Utah must file Articles of Dissolution with the Department of Commerce. In addition, Utah corporations should obtain a Certificate of Tax Clearance from the Tax Commission prior to dissolution.

Corporations incorporated outside of Utah (foreign) MUST obtain a Certificate of Tax Clearance from the Tax Commission before withdrawing from Utah. Foreign corporations must file an Application for Withdrawal with the Department of Commerce.

To request a Certificate of Tax Clearance, complete form TC-2001 and submit it to the attention of the Customer Services Call Unit at the Tax Commission address above.

To close related tax accounts (sales, withholding, etc.), send a letter, with the account number(s) and the last date of business, to the attention of Master File Maintenance at the Tax Commission address above.

Rounding Off to Whole-Dollar Amounts

Round off cents to the nearest whole dollar. Round down if cents are under 50 cents; round up if cents are 50 cents and above. **Do not enter cents anywhere on the return.**

Who Must File

The Tax Commission does not mail returns for filing corporate taxes to corporations registered with the state. If the corporation does not use software that provides the forms, you may obtain Utah forms by downloading copies from the Tax Commission website at tax.utah.gov, or by calling the Forms Hotline at (801) 297-6700 or 1-800-662-4335, ext. 6700.

Homeowners Association

A homeowners association incorporated in Utah (domestic), qualified in Utah (foreign), or doing business in Utah, whether qualified or not, must file a homeowners association tax return, form TC-20HA, when it has taxable income for federal purposes and has filed federal form 1120-H. Attach a copy of your federal form 1120-H as filed with the IRS to your Utah return. Other detail schedules should NOT be included with the initial filing. The Auditing Division of the Tax Commission may request these detail schedules at a later date.

Regulated Investment Company (RIC)

Every regulated investment company (RIC) or fund of such company, as defined in IRC Sections 851(a) or 851(h), that is organized under the laws of Utah must file form TC-20R. Attach a copy of your federal form 1120-RIC as filed with the IRS to your Utah return. Other detail schedules should NOT be included with the initial filing. The Auditing Division of the Tax Commission may request these detail schedules at a later date.

Real Estate Investment Trust (REIT)

Every real estate investment trust (REIT) or fund of such company, as defined in IRC Section 856, that is registered or doing business in Utah must file form TC-20REIT. Doing business in Utah includes owning an interest in Utah real property. Attach a copy of your federal form 1120-REIT as filed with the IRS to your Utah return. Other detail schedules should NOT be included with the initial filing. The Auditing Division of the Tax Commission may request these detail schedules at a later date.

Exempt Corporation with Unrelated Business Income

An exempt corporation incorporated in Utah (domestic), qualified in Utah (foreign), or doing business in Utah whether qualified or not, must file an unrelated business income tax return, form TC-20UBI, when it has unrelated business income. Attach a copy of your federal form 990-T as filed with the IRS to your Utah return. Other detail schedules should NOT be included with the initial filing. The Auditing Division of the Tax Commission may request these detail schedules at a later date.

One-day Utah Corporation (IRC Section 338)

Transactions for which an election has been made or considered to be made for federal purposes under IRC Section 338 are treated as provided in UCA §59-7-114. An election is not available for state purposes unless an election is made or considered to be made for federal purposes.

If an election is made or considered to be made for federal purposes under IRC Section 338, other than under Subsection 338(h)(10), the target corporation must file a separate entity one-day tax return for state purposes, as is required for federal purposes. The target corporation must include in that return the gain or loss on the deemed sale of assets in its adjusted income (UCA §59-7-114).

Apportionment Fraction: The gain or loss on the deemed sale of assets must be apportioned to Utah using the apportionment fraction, calculated to **six decimals**, of the target corporation, calculated on a separate entity basis for the most recent preceding taxable year consisting of 180 days or more.

If an election is made for federal purposes under IRC Subsection 338(h)(10) or IRC Section 336(e), do not use this form, use form TC-20.

Attach a copy of your federal return including the IRC Section 338 gain or loss and federal form 8023 or 8023A.

Taxable Year

The taxable year for Utah tax purposes must match the taxable year used for federal tax purposes. When the taxable year changes for federal purposes, the taxable year must be adjusted accordingly for Utah tax purposes.

Due Date

Returns must be filed on or before the 15th day of the fourth month following the close of the taxable year. If the due date falls on a weekend or legal holiday, the due date becomes the next business day.

The due date of the one-day return (TC-20(338)) is the same as the due date of the return that includes the taxable period of the target corporation immediately preceding the one-day return.

Where to File

Mail the completed return and any payment to:

Utah State Tax Commission
210 N 1950 W
Salt Lake City, UT 84134-0300

Filing Extension

Corporations are automatically allowed an extension of up to six months to file a return without filing an extension form. **This is an extension of time to file the return – NOT an extension of time to pay taxes.** To avoid penalty and interest, the prepayment requirements must be met on or before the original return due date and the return must be filed within the six-month extension period.

Minimum Tax

There is a minimum tax (privilege tax) of \$100 on every regular C corporation, regulated investment company (RIC), and real estate investment trust (REIT) regard-

less of whether the corporation exercises its right to do business. The minimum tax does not apply to homeowners associations, exempt corporations with unrelated business income, or one-day (section 338) corporations.

Prepayment of Minimum Tax

Corporations subject to the minimum tax that meet the prepayment requirement in the **current** year and that had a tax liability of \$100 (the minimum tax) for the previous year may choose to prepay the minimum tax amount of \$100 on the 15th day of the 12th month instead of four increments of \$25.

Corporations subject to the minimum tax that met the prepayment requirement in the **previous** year and have a tax liability of \$100 (the minimum tax) in the current year may choose to prepay the minimum tax amount of \$100 on the 15th day of 12th month instead of four increments of \$25. In this scenario, the corporation must pay \$100, not 90 percent.

Corporations subject to the minimum tax not making the required tax prepayments are subject to a penalty as stated in "Penalties," below.

Prepayment Requirements (does not apply to Section 338 corporations)

Extension Prepayments

The required extension prepayments must equal 90 percent of the tax due for the current year's tax liability (or the \$100 minimum tax, whichever is greater) or 100 percent of the previous year's tax liability. *Typically, corporations that make estimated prepayments using form TC-559, "Utah Corporation Franchise/ Income Tax Payment Coupon," will have complied with the 90-percent requirement and may not need to make additional prepayments to avoid extension penalties.*

Quarterly Payments

Every corporation having a Utah tax liability of \$3,000 or more in the current taxable year, or a tax liability of \$3,000 or more in the previous taxable year, must make quarterly estimated tax payments.

A corporation is not subject to the estimated tax payment requirements the first year the corporation is required to file a return in Utah if the corporation makes a payment on or before the due date, without the automatic extension, equal to or greater than the minimum tax.

Quarterly estimated tax payments are due in four equal payments on the 15th day of the 4th, 6th, 9th and 12th months of the corporation's taxable year. Corporations may elect to make the quarterly estimated tax payments equal to 90 percent of the current year's tax or 100 percent of the prior year's tax. As defined in IRC Section 6655, the applicable percentage of the required payment for annualized income installments, for adjusted seasonal installments, and for estimated tax payments based on the current year tax liability, is the following:

<u>Installment</u>	<u>Percentage</u>
1st	22.5
2nd	45.0
3rd	67.5
4th	90.0

If a taxpayer elects a different annualization period than the period used for federal purposes, the taxpayer must make an election with the Tax Commission at the same time as provided in IRC Section 6655. Estimated tax payments should be made with form TC-559, "Utah Corporation Franchise/Income Tax Payment Coupon."

Corporations not making the required tax prepayments are subject to a penalty as stated in "Penalties," below.

Penalties

Utah law provides for uniform tax penalties for failure to file tax returns, failure to pay tax due, and failure to file information returns or supporting schedules.

The penalty for **failure to file a tax due return** by the due date is the greater of \$20 or 10 percent of the unpaid tax. If a tax balance is still unpaid 90 days after the due date, a second penalty of \$20 or 10 percent of the tax balance, whichever is greater, will be added for failure to pay timely.

The penalty for **failure to pay tax due** as reported on a timely filed return, or within 30 days of a notice of deficiency, is \$20 or 10 percent of the tax due, whichever is greater.

The penalty for **underpayment of the extension prepayment** is 2 percent per month of the unpaid tax during the extension period. If the return is not filed by the extension due date, failure to file and failure to pay penalties will apply as if the extension has not been granted.

The penalty for **failure to file an information return** or a complete supporting schedule is \$50 for each return or schedule up to a maximum of \$1,000.

The penalty for each **underpayment of required estimated tax or required quarterly installment** is determined by applying the state interest rate(s) in effect for the period of the underpayment, plus four percentage points to the amount of the underpayment for the period of the underpayment.

For a list of additional penalties that may be imposed, refer to UCA §59-1-401 and Pub 58.

The Tax Commission will calculate the penalty for underpayment of required prepayments. Taxpayers who would like to calculate their own penalty may contact the Tax Commission at (801) 297-7790 or 1-800-662-4335, ext. 7790 for assistance.

Exceptions to Penalty on Estimated Tax

Annualized Exception

A corporation may annualize its income before determining the amount of each installment. It is recommended federal guidelines be followed in determining annualized income. If the corporation meets the annu-

alized exception at the federal level for any installment, check the appropriate box(es) on form Utah form:

TC-20HA, line 10
TC-20R, line 15
TC-20REIT, line 15
TC-20UBI, line 13

Recurring Seasonal Exception

A corporation with recurring seasonal income may annualize its income before determining the amount of each installment. It is recommended federal guidelines be followed in determining seasonal income. If the corporation meets the seasonal exception at the federal level for any installment, check the appropriate box(es) on Utah form:

TC-20HA, line 10
TC-20R, line 15
TC-20REIT, line 15
TC-20UBI, line 13

Prepayment of Minimum Tax Requirement

Corporations that meet the prepayment requirement in the **current year** and that had a tax liability of \$100 (the minimum tax) for the previous year may choose to prepay the minimum tax amount of \$100 on the 15th day of the 12th month instead of four increments of \$25.

Corporations that met the prepayment requirement in the **previous year** and have a tax liability of \$100 (the minimum tax) in the current year may choose to prepay the minimum tax amount of \$100 on the 15th day of the 12th month instead of four increments of \$25. In this scenario, the corporation must pay \$100, not 90 percent.

NOTE: The prepayment penalty does not apply to a one-day corporation under IRC Section 338.

Interest

Interest will be assessed at the rate prescribed by law from the original due date until any outstanding liability is paid in full. The interest rate for most taxes and fees administered by the Tax Commission for the 2005 calendar year is **4 percent**. Pub 58, which contains applicable interest rates, is available on the Internet at tax.utah.gov or by calling or writing the Tax Commission.

Suspension for Failure to Pay Tax Due

Utah law provides for suspension of the corporation's right to do business in Utah if the corporation fails to pay tax due before 5:00 p.m. on the last day of the 11th month after the due date.

If a corporation owes tax and is unable to pay all or a portion of the amount owed, the corporation may complete form TC-804B, Payment Agreement Request. The form can be obtained online at tax.utah.gov.

(not applicable for forms TC-20HA, TC-20UBI, or TC-20(338))

Purchases include amounts paid or charged for purchases made on the Internet or through catalogs. Credit is allowed for sales and use tax paid to another state, but not to a foreign country. If the sales tax rate in the other state is lower than Utah's sales tax rate, the consumer is required to pay the difference. If the sales

2. Use tax rate (decimal from chart) _____
3. Use tax (multiply line 1 by line 2) \$ _____
4. Credit for sales tax paid to another state \$ _____
5. Use tax due (line 3 less line 4)

tax rate in the other state is greater than Utah's sales tax rate, no sales or use tax credit or refund applies.

Enter use tax of \$400 or less. If the amount exceeds \$400, the purchaser is required to obtain a sales and use tax license and to pay the use tax on a Utah Sales and Use Tax Return.

Sales and use tax rates vary throughout Utah. Use the "Use Tax Rate Chart" on page 4 to find the tax rate for the Utah location where the merchandise was delivered, stored, used or consumed. If the city is not listed, use the county tax rate. Complete the worksheet to determine the amount of use tax due. Credit for sales taxes paid to another state cannot exceed the Utah tax otherwise due on those items. If sales taxes were paid to more than one state, complete a worksheet for each state. Enter the sum of the use tax from each worksheet.

Signature and Date

Sign and date the return. A refund will not be granted unless the return is signed and dated.

Paid Preparer Authorization

If the corporation wants to allow the Tax Commission to discuss their 2004 return with the paid preparer who signed it, check the box on the right side of the signature area of the return. This authorization applies only to the individual whose signature appears in the "Paid Preparer Section" of the return. It does not apply to the firm, if any, shown in that section.

If the box is checked, the corporation is authorizing the Tax Commission to call the paid preparer to answer any questions that may arise during the processing of the return. The paid preparer is also authorized to:

- Give the Tax Commission any information that is missing from the return,

- Call the Tax Commission for information about the processing of the return or the status of any refund or payment(s), and
- Respond to certain Tax Commission notices about math errors, offsets, and return preparation.

The corporation is not authorizing the preparer to receive any refund check, bind the entity to anything (including any additional tax liability), or otherwise represent the entity before the Tax Commission. If the corporation wants to expand the preparer's authorization, a power of attorney must be completed and submitted to the Tax Commission.

The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing the entity's 2005 tax return.

Paid Preparer

The paid preparer must enter his or her name, address, and social security number or PTIN in the section below the corporate officer's signature on the return.

Preparer Penalties

The person who prepares, presents, procures, advises, aids, assists or counsels another on a return, affidavit, claim or similar document administered by the Tax Commission, and who knows or has reason to believe it may understate a tax, fee or charge is subject to both a civil penalty (\$500 per document) and criminal penalties (second degree felony with a fine between \$1,500 to \$25,000). See Utah Code Sections 59-1-401(9) and (10) for specific details.
